## REPORT

Call to Order

11:45AM - 11:55AM Announcements/Upcoming Events

11:55AM - 12:00PM Attendance

12:00PM - 12:15PM Senator Reports

School of Architecture

1. Lorena Mendoza [lorena.mendoza@woodbury.edu](mailto:lorena.mendoza@woodbury.edu)
2. Rafael Aguilar [rafael.aguilar@woodbury.edu](mailto:rafael.aguilar@woodbury.edu)
  - a. I have confirmed a meeting between me and the head chair of interior architecture Korner Christoph to discuss a few issues and suggestions students have and see how we can resolve them. There are extra work tables that limit the interior architecture students from pinning up on their review days and finals. There is also a computer lab/security hours inconsistency that conflicts with the students. I will personally speak with security after I discuss the issue with Korner Christoph. Furthermore, a few plotters and printers are malfunctioning so I will send a maintenance request for IT and make daily check ups on the printers and plotters so that they will be ready for finals. That is all for my Senator report. Thank you and have a nice.

They have brought some good points about their class arrangements that I plan on bringing up with Ana Herruzo, so that there is a form of transparency building up to next semester. These students have reached out to me about their comments and concerns, so if you have any comments and concerns about your classes please reach out to me.
